

SOLANA

6 BEDROOM BEACH HOUSE

WELCOME

The largest of our accommodation offerings, the 6 bedroom Villa Solana offers ample space for friends and family looking to create memories under one roof. The spacious kitchen and living area are perfect for preparing meals together or just relaxing. There is a full outdoor living area, complete with a massive 57-foot infinity pool and summer kitchen, in addition to spacious verandas on the second floor. Get your sweat on in the fitness room or luxuriate in the rooftop hot tub and take in an expansive view of the Caribbean. The décor is modern and colorful, and the vibe is laid back luxury.

MULTI- BEDROOM BEACH HOUSE

YOUR HOME AWAY FROM HOME

Solana is the perfect retreat for big families, including multi-generational stays, friends, or any group traveling together. Designed with modern elegance and spacious comfort in mind, Solana offers ample room for everyone to gather, unwind, and still enjoy their own privacy. From open-concept living areas to serene bedrooms and seamless indoor-outdoor spaces, every detail is crafted to elevate group getaways. Whether you're celebrating together, working remotely as a team, or simply escaping to the beach, Solana delivers a stylish, relaxed setting where connection comes naturally and every stay feels effortless.
