

# SPA VILLAS

Hardwood luxury meets the tranquillity of  
the award-winning Naia Resort & Spa.

# Welcome

The Naia Spa Villas are the latest addition to our accommodation offerings. These 2-bedroom units, overlooking the tranquil waters of our spa lagoon, combine finely finished interiors with the lush atmosphere of a jungle lodge. The environment is perfect for retreat groups or a vacation with friends and family. The combination offers plenty of flexibility and comfort to our guests by seamlessly blending indoor warmth and comfort with the verdant and peaceful environs of the spa... and it's all just a stone's throw from our mile of secluded Caribbean Beach.

# Nature & Wellness

Each of the 4 Spa Villas are thoughtfully named after the vibrant wildlife that are often spotted within the resort:

**Tarpon, Agouti, Chachalaca, and Iguana.**

Located just a bridge away from our award-winning Naia Spa, fully equipped fitness center, and tranquil yoga studio, these villas offer an ideal blend of comfort, nature, and revitalizing serenity.
